Corporate Filing Library

21 filings | 9 separate entities | reviewed October 21, 2026

Redacted research-archive copies of Illinois corporate filings. These are not certified copies or current-status reports. Street addresses, ZIP codes and the agency telephone number were removed. Printed names, roles and dates were retained. Black boxes identify removed text.

A printed name or executing-name field does not establish who submitted a filing, consent, beneficial ownership, actual operations or wrongdoing. Barnes disputes particular listings; that account is separate from what the filing prints. Joseph Bradley is not established here as an alias of Gregory Perkins.

Source: user-supplied GSE archive. Pages 2-21 reproduce corporate exhibits from the 58-page name-clearance compilation, original pages 39-58. Pages 22-23 are the separately preserved Pinnacle reports. Tax transcripts, police records and private correspondence are excluded.
